This is a public record request for the following:

Any/all record of drafted authorizations to release information that "could not be redacted" by Mike Rosenthal.
I am seeking any files on Mike Rosenthal's computer of drafted authorizations of the above subject matter.

I do not need the authorizations Mike drafted for Lorduoy/Pearson. I have those and have attached as reference for what other drafted authorizations may look like.

Boundary County Sheriff's Office
David Kramer, Sheriff • Rich Stephens, Undersheriff

To: **ALICIA LORDUY**
Boundary County Jail

As Records Custodian for the Sheriff's Office, I have received a records request by Adrienne Norris requesting a copy of the traffic stop video when you were stopped and later arrested on January 9, 2022.

I have the video and am prepared to release it but it contains a portion where the arresting officer calls dispatch to run a dispatch check under your name. The deputy gives your name over the air **and your date of birth**. Normally, I do not release date of birth information to other persons. However, it is complicated to delete out a portion of a pre-recorded video.

With this document I am wondering if you would authorize release of the video knowing that it also has your date of birth audible as part of the deputy's call to dispatch.
