Subject: Public records request

This is a public records request for: any record of communications, not limited to writings, A/V etc, including name of agent/employee of Boundary county responsible for approval pertaining to the re-release of juvenile record pertaining to my family member, which had been previously released unredacted and disseminated to third parties including the internet, used in a non first amendment protected matter to harass, stalk and incite harm on my children and family including doxxing of my juvenile children identities and our home, indexed (tagged) with viral content containing death threats and violent rhetoric.

I am an Idaho resident.

Requester: Marie Garrett
