Prior to 2024, we did not maintain an excess funds list.

Attached is the excess funds list for the last auction held 5/21/24 also attached is a list of tax deeded parcels sold from 2015-2024. All tax deed auctions are reported in the Commissioner minutes and can be researched on our website www.boundarycountyid.org.

Subject: Request For Excess Funds List

Hello,

I hope this message finds you well.

I am writing to kindly request a copy of your county's excess (surplus) funds list from recent tax sales or foreclosure sales. This refers to any funds remaining after the satisfaction of taxes, penalties, and interest from a foreclosure sale.

If available, I would greatly appreciate it if you could include details such as the sale date, owner name, parcel number, property address, and amount of surplus. Electronic copies (PDF, Excel, or CSV) would be preferred, but I would also be happy to cover any costs associated with a printed copy if that is the standard procedure.

If this request should be directed to another department or individual, I would be grateful if you could kindly provide their contact information.

Thank you very much for your time and assistance.

As a result of 2016 Senate Bill 1347a, Boundary County no longer keeps excess proceeds from the sale of tax-deeded properties. After excess proceeds are distributed to parties in interest who file valid claims, any remaining funds are sent to the Idaho State Treasurer, to be distributed as unclaimed funds. All inquiries and claims by and on behalf of record owners should be directed to the Office of the Treasurer of the State of Idaho. For more information visit <https://www.yourmoney.idaho.gov/>
