I am requesting all releasable audio and video recordings of interviews or interrogations of Dr. Daniel Lee Moore conducted by the Boundary County Sheriff's Office and/or Bonners Ferry Police in connection with the March 12, 2020 homicide of Dr. Brian Drake. Specifically, I am requesting the recorded interview/interrogation of Daniel Lee Moore conducted on August 27, 2020, including the interview conducted by Assistant Chief Ryan.

I am also requesting body-worn camera and in-car camera video of the contact, arrest, and transport of Daniel Lee Moore.

Please provide the recordings in their original electronic format where reasonably available. If any portion is exempt from disclosure, please provide the non-exempt portions with the minimum legally required redactions.

I am requesting the recordings electronically by email.

If the requested recordings have previously been released pursuant to a public-records request, please provide the same releasable recordings.

If there will be a fee for processing or duplication, please provide an estimate before incurring fees.
