The only information I have is based on the records available in GIS.

Crossport is the combination of County Roads 22 and 24. CR 24 was formerly known as Slough Road before becoming part of Crossport. CR 24 runs from Cow Creek to Katka, and CR 22 runs from Katka to Parker Canyon.

Road & Bridge may have documentation regarding when and how CR 22 and CR 24 were combined and renamed Crossport.

I looked thru files for that road, and the only thing I could find relating to the request was the Resolution 2005-29, Adoption of County Road Names.

Addressing may have more info on the creation of the road, along with location details.

Hi Adam

Message back from Bill that we are not able to aggregate these because they are different roads.

Let me know if you have anything for Crossport. Request is attached.
